

## **Solomon Wright Public Library Trustees Meeting**

August 24, 2020; 6:30pm

Present via Zoom: Mary Natalizia, Jen Ryan, Julius Rosenwald, Becca Martin, Anne Todorski, Sarah Sanfilippo, Karen Gallese

Updates to the COVID-19 Reopening Policy were approved unanimously, with the likelihood that the library will begin allowing people inside after September 14.

Reopening Celebration - October 17. This would consist of a walk-through guided tour, one-at-a-time. Jen and Mary will work on an outline. This would be a sort of "Pre-Re-Opening" and give people, and perhaps the press, a chance to see the renovation.

Mary wasn't able to mention at our last meeting that Tosha of The Library Store has asked us to be included on their website with photos and a testimonial about the process.

Karen stated that more donor checks have come in, plus the rebate for electric.
